Join us as we fundraise to reimagine foster care with a fresh approach that gives both children and parents room to flourish.

Did you know:

- The state of Georgia spends 2M annually on hotel rooms for fostering children.
- More than 50% of foster children in Forsyth County are moved out of county and across the state because we have no capacity
- The foster system currently invests under 50% of what the average American family typically spends per child.
- About 60% of foster parents do not foster a second time.
- The state of Georgia has over 11,000 children in foster care, with over 60K maltreatment investigation yearly | click [here](#) for more information
- On average, only 52% of foster children are adopted into full-time families.
