## Help Us Celebrate a Year Worth Living

**Dear P.E.S.T. family and friends,**

Peace on Earth, Good Will Towards Men!

As we finish out another year, we are grateful for many blessings and for our donors and volunteers. This year, as **P.E.S.T. Relief** continued our mission to bring comfort and relief to orphaned, abused, and at-risk individuals, we celebrated life together at our "Pancakes and Pest Control" **REST** Initiative while serving a community of many different cultures.

**P.E.S.T.** was grateful to partner with **CPCO** of GA and **Upper 90** to host a memorable event lasting throughout the year. In addition to 100 families receiving **Mattress Safe** encasements and a year's supply of **MGK Pest Xpert** spray, **P.E.S.T. Relief** had a banner year and was able to serve 100 veterans with bags of relief with essentials for sanitation, along with a special ball cap to commemorate their service.

We also launched our Bags of **REST** to allow underprivileged children with autism needing physical therapy to rest and recover in a safe and sanitary environment. These special bags included a mattress encasement, pillow encasement, a new pillow. and a soft cozy blanket.

Special opportunities to serve our fallen heroes in the pest control industry made an impact on those left behind, as we commemorated the lives of two men who served their country well. We also continued our **P.E.S.T. Relief Responders** program to serve homes in crisis who were in need of pest remediation and clean bedding.

our golf tournament fundraiser raising **\$25,000** to allow us to remain strong and advance towards the next stages of our boys' home campaign.

We thank each and every one of our supporters, as well as our donors and volunteers who kept our organization thriving this year.

We invite you to help us finish our year strong with a fundraiser link that you can share with your friends and colleagues who would like to partner in our mission to bring comfort and relief to orphaned, abused, and at-risk individuals.
