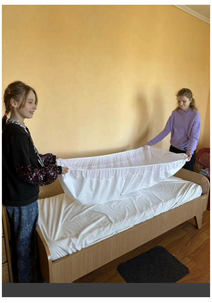
P.E.S.T.
— RELIEF INTERNATIONAL —

Dear Friends and Supporters,

As we reflect on this past year, we are deeply grateful for the opportunity to bring comfort, dignity, and relief to individuals and families facing hardship both locally and around the world. Through the generosity of our partners, volunteers, and donors, P.E.S.T. Relief International continued its mission to create clean, safe, and healthy living environments for those who need them most.

This year, we provided essential bedding, protective encasements, and comforting items to communities across the United States, Ukraine, Greece, and beyond. These efforts brought hope and stability to people experiencing poverty, displacement, trauma, unsanitary living conditions, and unexpected crises.



Our focus and impact this year included:
In 2025, P.E.S.T. Relief International provided significant humanitarian support both in the United States and internationally, offering essential protective products and direct aid to families, shelters, veterans, and communities in crisis. Throughout the year, we donated **over 1070 encasements** to vulnerable individuals, shelters, and humanitarian partners across the U.S., Greece, and Ukraine.

In addition to encasements, we delivered **over 70 blankets**, including baby blankets, to individuals in Ukraine, the U.S., and Greece. We also provided comfort items such as **more than 29 stuffed bears and toys**, primarily aiding children in Ukraine and Greece. See our experience in video below:

Through these combined efforts, **over 280 people were directly helped** with clean bedding protection, comfort items, and on-the-ground support. Many of these individuals were facing severe hardship, including displacement, poverty, and infestations that made their homes unsafe or unlivable.
Beyond product donations, we also funded **multiple financial relief scholarships ranging from $500 to $750** to support bed bug treatment and recovery for individuals in need across Florida and Georgia. These scholarships helped cover extermination services, bedding, supplies, and safe housing during recovery.

Across every initiative, our collective efforts helped provide sanitation, comfort, and protection to those living in vulnerable environments - even in situations where individuals had nowhere safe to sleep, homes damaged by pests, or limited access to basic essentials.
We are humbled by the lives touched this year and inspired by the resilience of those we serve. Our work continues because of your compassion, generosity, and belief in restoring dignity through practical care.

Thank you for standing with us and helping create safer, cleaner places to sleep for people around the world. We look forward to making an even greater impact together in the coming year.

With heartfelt gratitude,
P.E.S.T. Relief International
